

Expectations for your GIP in India

Hello!

We're glad you're coming to experience India and have trusted our local committee to give you that opportunity. Here is information that is required for your stay in India in addition to the reception booklet. We have all the information covered within these two. ☺

Feedback

As soon as your status on myaiesec.net is changed to Matched you will receive a survey from AIESEC International asking how your experience was. Do remember to fill it as it's absolutely essential that we get your feedback.

Payment

Rent – 10000

Deposit – 15000-22500 (depending on where you stay)

Do bring an initial amount of 700-800 USD to help you pay these costs for the first month when you won't get paid.

Also do exchange around 8-10 USD at the airport into INR to pay for the taxi on our way to the accommodation. It isn't recommended that you exchange the entire amount because it is possible to get better exchange rates. Someone from AIESEC in Mumbai will be there to pick you up ☺

FRRO (Foreign Registration)

Only to be done if mentioned on your VISA or if you're here for more than 180 days. It needs to be done within 14 days of you arriving in India or you will have to pay a fine of INR 1800.

Documents you will need from AIESEC in Mumbai –

- Undertaking letter from a resident of Mumbai
- Documents supporting undertaking letter
- Flat documents (Only if you're staying in AIESEC accommodation)

Please make sure you have all of them before you come here. You will have to take an appointment with the office to go there and get it done. Someone from AIESEC in Mumbai will come with you for the same.

Other than this, please go through the reception booklet very carefully and always be in touch with your TN Manager ☺

Hoping you have a brilliant experience here!
